OREGON GROWN

BETTER BLOOMING

GLADIOLUS

New and Standard Varieties of Real Merit

NEW INTRODUCTIONS

SPRING 1939

WESTMORELAND

GARDENS

7014 S. E. 20th Ave.

Portland, Oregon

All stock offered and sent out is true to name, clean and free from disease. Inspected under Oregon State License No. 563, and all bulbs are carefully inspected at time orders are filled. Any bulbs not proving true to name, or faulty in any way, will be gladly replaced. No thrip.

Orders over \$2.00 sent prepaid anywhere in the United States. On orders less than \$2.00, add 25c for packing and postage.

Terms: Cash with order. All orders accepted subject to prior sale.

DOUBLE VALUE ON EARLY ORDERS

To further introduce our newer originations, we will give FREE with all orders over \$2.00, received before April 15, 1939, your choice of our 1939 introductions or any of our originations priced at \$1.00 or more each, equal to the amount of your order.

With a \$2.00 order you may select one \$2.00 bulb, or two \$1.00 bulbs. On a \$10.00 order you may select one \$10.00 bulb, or two \$5.00 bulbs, or one \$8.00 and one \$2.00. The higher priced bulbs are the best ones, so select quality, rather than quantity. Select only our 1939 introductions or any of our originations (marked *) priced at \$1.00 or more. We will send overcount, or other free bulbs for any part dollar of your total. If you do not make any selections of free bulbs, we will send what we consider the best ones, to the amount of your order.

As our stocks are limited on most of these higher priced varieties, please get your order in early to get the better ones, as we cannot guarantee to send any certain free varieties on orders after April 15th, but will send the best we have left, from stock reserved for this offer.

We do not substitute varieties without your permission, but in order that you receive credit for the full amount of your order, we will, if out of some variety or size ordered, send next size to same value, or extra amounts of others you order. Liberal value given on such change. Please name substitutes if you do not favor the above adjustment. Early orders can generally be filled complete, without any changes or substitutes you may suggest.

TELL YOUR FRIENDS

Westmoreland Glads are what they see blooming in your garden next summer, and if they would like to have some, you send us their name and address. If we gain a new customer in that way, we will send you \$1.00 worth of choice bulbs free, for each \$2.00 worth they order from us. Write names and addresses plainly.

BULBS OF QUALITY

Our customers say our bulbs are the finest, cleanest and best blooming bulbs they ever had. All our bulbs and bulblets have been fumigated and are free from thrip. If you are troubled with thrip, use ROTOTOX, or formula contained in our planting instructions sent with each order, and you will get rid of them. Get Rototox from Rototox Co., 81 Yale St., E. Williston, N. Y.

LARGE bulbs are $1\frac{1}{4}$ in. and up to 3 in. diameter, and are generally considered best for exhibition purposes, producing the best flowers on the longest spikes.

MEDIUM size bulbs, over $\frac{3}{4}$ in. to $1\frac{1}{4}$ in. give a very satisfactory spike, with florets usually as large as from larger bulbs.

SMALL bulbs, $\frac{3}{8}$ in. to $\frac{3}{4}$ in., are planted for increase rather than blooms, but if planted early, most varieties will bloom.

No. 7—The smallest bulbs, $\frac{3}{8}$ in. and under, although sometimes smaller than bulblets, will give you larger bulbs at digging time. Plant $1\frac{1}{2}$ to 2 in. deep.

Three or more bulbs sold at the dozen rate; 25 at the 100 rate. Bulblets per 100 at $\frac{1}{6}$ of the 1000 price.

OUR 1939 INTRODUCTIONS

New originations selected from thousands of seedlings we have been checking for several years. All new and different, and priced according to their value as determined by beauty of color, form, placement, size, length of spike, amount of stock, etc. Of some we have only 12 or 15 bulbs, others up to 60 bulbs. As soon as stock increases, the price will be lowered, according to rate of increase.

Former introductions of our originations are designated by an "" preceding the names. Many of these have taken prizes at flower shows in several states. Some of the newer ones are much superior, and will take the prizes when shown.

Arrawana—Tall light red, flushed scarlet; darker pencilings at edge of petals. Large and showy.

Each—L \$8.00; M \$5.00; S \$3.00

A LETTER FROM ENGLAND

Says—"I have had a magnificent show of blooms from the bulbs received from you, and they have been greatly admired by my friends. I can assure you they were the best Glads we have seen anywhere."

PENNSYLVANIA SAYS—"Your Majesty and Bliss were just too grand to describe, both winning awards at our 1938 show."

GRAND NEW VARIETIES FREE

Realizing that most people do not care to pay from \$1.00 to \$20.00 for one bulb of a new variety, unless they have seen a spike in bloom, and feel that it is worth that amount, we want to offer you the opportunity of seeing them in bloom before you buy. Don't fail to get some of these better new varieties free, on our DOUBLE VALUE OFFER on front page.

IF YOU ENTER AND WIN first or second prize on any of our originations at a flower show, we will, upon receipt of proper evidence of same, send you free bulbs to the value of \$5.00 or more.

Orders of \$2.00 and over sent Prepaid anywhere in United States.

WESTMORELAND GARDENS

PLEASE NAME TWO OR MORE SUBSTITUTES

SMALL LOTS AT HALF PRICE

These varieties are all good cut flower and garden varieties which we are forced to discontinue, to make room for the increasing number of new Glads. As we will have no room to plant them, we are offering them at half price; less, in some cases. The price quoted is for the entire lot of each variety. No part lots sold. Please name substitutes, or state what other items of your order we may increase, in case some variety you select has been sold.
